TJC Students Complete Vision Awareness Training at The Lighthouse

Tyler, TX – Tyler Junior College Vision Tech Program students participated in The Lighthouse Vision Awareness Training at 411 W. Front St. in Tyler, TX on July 27th, from 8:30am-4:30pm. The purpose is to give students a better understanding of services provided to blind and visually impaired individuals.

“Sessions are highly interactive and were designed to complement each another and trigger individual responses to the many challenges faced with changes in vision or vision loss.” said Lori Arteaga, Lighthouse Educational Services Administrator.

The Vision Awareness Program is a 1 or ½ day training and immersion class formatted to provide participants with an impactful, informative, and educational experience. Sessions are highly interactive and were designed to complement each another to put vision loss and its challenges, into perspective. Each is conducted by staff members in their respective areas of training and expertise. For more information, visit www.tylerlighthouse.org and click on the services tab at the top.
