Lighthouse Offers New Employment Services Program

The Lighthouse is a non-profit organization committed to empowering blind Americans through rehabilitation, education, training and employment. Currently, the largest employer in East Texas of blind and visually impaired individuals, they simply cannot hire every member of the blind community seeking employment. The Employment Services program's approach is to match employers with qualified and skilled job seekers, while providing collaborative support in their area of expertise – vision loss. The program has already seen success with matching employer partners with qualified employees. In some cases, the experience is a turning point in the client's life.

“When I started with the program, I wasn't sure if I could or ever wanted to work again.” stated Brian Lindsey, Employment Services Client “With the training and support I have received, I am now excited about my future!”

If you or someone you know is blind or visually impaired and seeking employment, please contact The Lighthouse at 903.593.3111 or info@tylerlighthouse.org
